

West Preparatory Parents

Roseneath Theatre has been producing professional Theatre for Young Audiences in schools and venues across Canada since 1983. We have created camps to engage children and youth through the theatrical arts, and we offer a diverse and creative collection of programs online and in-person!

We explore imagination and creativity with unique themes for all to enjoy.

IN-PERSON PROGRAMS

Theatre Arts

Grades 4-6
Thursdays - Lunchtime

Students of all levels are welcome!

Participants will engage in a variety of theatre games and exercises, developing confidence in their ideas, expression, ability to create. Together, we will embrace our sillier sides, learn about improv, physicality, and characterization.

Drama games are a wonderfully fun way to work on confidence, social skills, and communication, all in a safe space.

See you there!
