Theatre** Since  
1983

## West Preparatory Parents

Roseneath Theatre has been producing professional Theatre for Young Audiences in schools and venues across Canada since 1983.

We have created camps to engage children and youth through the D&D and the theatrical arts, and we offer a diverse and creative collection of programs online and in-person!

We explore imagination and creativity with unique themes for all to enjoy.

### IN-PERSON PROGRAMS

#### Club

Grades 2-6

Thursdays- Lunchtime

Students of all levels are welcome!

Participants will engage in an epic campaign, filled with magic and adventure! Together, we will embrace our imaginations, and work together to make a fantastical story.
